Sunday School Lessons for the Kids

Rainbows/Shooting Stars Families

We understand how important it is for our families to be able to supplement Christian Education into your time with your children away from our worship services.

We are blessed to have found an awesome opportunity for you to continue Sunday School lessons at home, with “LifeWay Kids at Home” (Elementary) and “LifeWay Preschool at Home”.

Families can access weekly Activity Pages, a conversation guide and a series of videos to watch and discuss. Materials include a Bible Story video, Life Application video, a kids connection video, a missions video and gospel presentation resources. New sessions will be updated weekly at midnight on Thursday nights so that families can have fresh content every weekend. Churches and families can access the LifeWay Kids at Home and LifeWay Preschool at Home Digital Pass experiences as needed any time over the next 12 weeks through the end of the Spring quarter.

To access the **FREE** *LifeWay Kids at Home* and *LifeWay Preschool at Home* resources, please follow these three simple steps:

Step 1) Go to digitalpass.lifeway.com

Step 2) Log in or create an account (free)

Step 3) Click the LifeWay Kids (or Preschool) at Home icon on the main page of Digital Page.

There is a 2 minute video that explains all of the content that you have access to on each home page.

The *LifeWay Kids at Home* and *LifeWay Preschool at Home* Digital Pass experiences are available to any family from any church of any denomination, anywhere in the world.

Please feel free to contact Trish Moore if you have any questions!
